COMPANY PROFILE

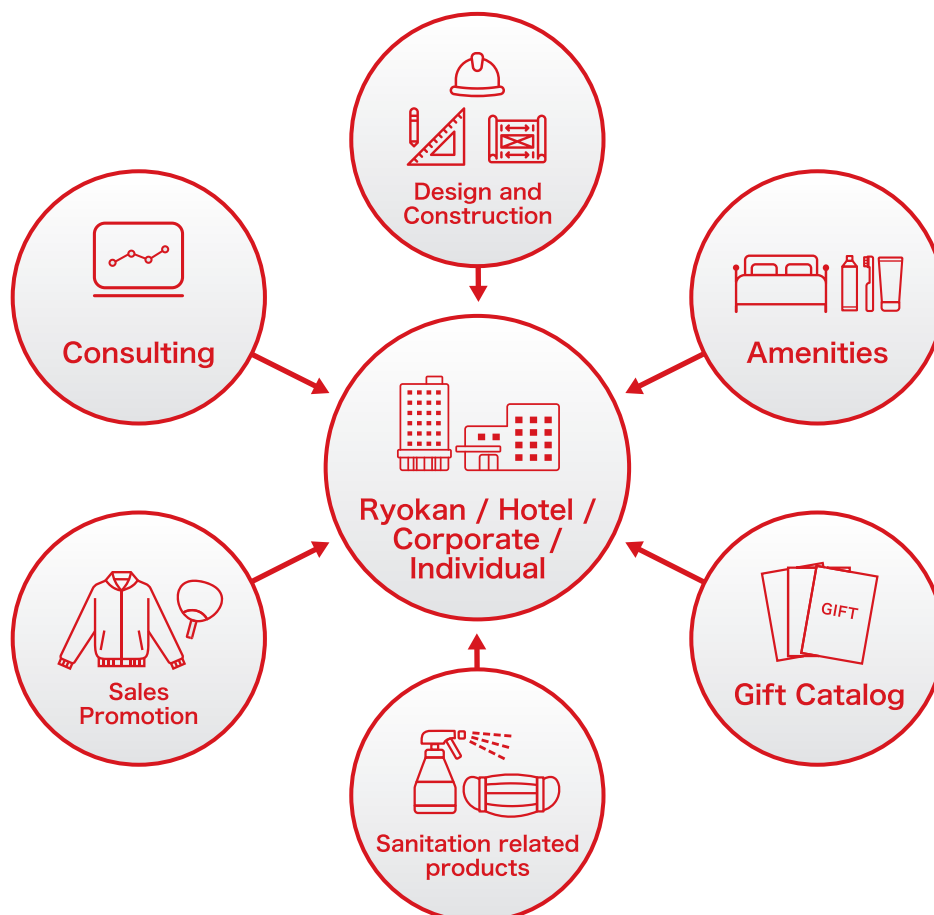

Everything we do is to improve customer satisfaction

To provide “comfort” to our customers, multidisciplinary services are necessary. At JTB Trading, we are able to meet various needs through the organizational capability as a group corporation. Please feel free to contact us.

Business Overview

We will propose the most ideal solution according to your request.

The distinctive strength of JTB Trading is that we are able to provide many different solutions that are necessary for the “Travel” scene.

By utilizing the distribution network as a specialized trading company of the JTB group, we will guide our customers to solve their problems by offering total proposals from our products and services such as amenities, general equipment, interior and renovation work, consulting, sanitation measures, environmental measures, disaster prevention reserves, anniversaries, sales promotions and catalog gifts.

What only JTB trading can do.

JTB Trading have celebrated 50 successive years of creating new values with our starting point of "Travel".

By further refining the knowledge and expertise that we have cultivated over the years, we will continue to challenge and work closely together with our customers.

With our long cultivated knowledge as a general trading company for "Travel", we are now at an age where this knowledge can be utilized not only in accommodation facilities such as hotels and ryokans, but in hospitals, dormitories and recreational facilities, as well as in corporate office environments where the style of working is changing drastically.

At JTB Trading, we are constantly in pursuit for customer satisfaction and aim to be the best partner who can continuously provide better products, information and services.
